

The Antonov AN-2 Club

1 March, 2009

Dear Member

Firstly, please would you accept our thanks for supporting the An-2. Without you, the aircraft could not be kept airworthy and we would not be able to let you and others see the AN2 on display at so many events.

A lot of events cannot support the full cost of positioning the An-2 but the help they do provide, like your help, is invaluable. The pilots and ground crew all pay their own way, including travel expenses and accommodation. Therefore 100% of your membership fee is dedicated to keeping the An-2 where she belongs. Up there in the AIR !!!

New merchandise, more members-only functions, special deals on airshow entry and An-2 members' areas at events are all being planned for 2009. We would really like to spoil you just a little for your contributions thus far.

So please take a moment to complete and return the new membership form below together with your annual membership fee of £20. NEW WEB SITE

Thank you again in anticipation of your continued support and enjoyment.

Yours faithfully

Dennis
