## A Great Season in 2006

Welcome to the Spring 2007 Newsletter. 2006 was another busy and successful year for Antonov AN2 "Hotel Alpha— Mike Kilo Foxtrot. "

As always it was good to see so many people visiting the AN2 at the various venues we attended. Please remember to come and say "Hi" whenever you see the AN2; we are always pleased to see you and let you get up close and personal with Mike Kilo Foxtrot.

One of the main highlights of the year was James Black's flying display at the Biggin Hill Airfair. Overheard in the pilot's enclosure from The Old Flying Machine's Nigel Lamb - "That's the best display I have seen in many a year" - praise indeed - well done James !!!!!.

The display was later repeated at Dunkeswell Air Day where strong headwind showed the true qualities of the slow flying characteristics with a ground speed recorded by the GPS of 2 KPH, and made the local BBC News.

Once again all the crew were honoured to help Project Propeller veterans attend their annual reunion at Halfpenny Green - we salute you gentlemen. For more information : [www.projectpropeller.co.uk](http://www.projectpropeller.co.uk)

In September Kilo Fox went over the water to the Guernsey Air Rally where many members enjoyed fantastic aerial views of the island. They enjoyed it so much last year that they have invited us back again this year.

Bill 10 Bars Leary (don't ask) is now giving presentations to interested parties about operating the AN2 so if you would like Bill to attend one of your club meetings just email him on: [bill@an2club.info](mailto:bill@an2club.info)

And finally if you would like us to arrange a GREAT day out for you, or a group of your friends on one of our Club Flying Days, like a trip to the Isle of Wight or a visit to an Airshow, (*we have even been booked for a Birthday party*) then please contact Grahame on : [graham@an2club.info](mailto:graham@an2club.info)
