A Great Season So Far in 2007

Welcome to the Autumn 2007 Newsletter. As the season draws to a close it is time to bring everyone up to date with recent events. The season started a little earlier than usual with a trip to Manston over the Easter weekend when our friend and fellow pilot, Steve Bowhill-Smith, was seen to be practicing the Oasis 747 display for the forthcoming season. It was good for Kilo Fox to attend the Kemble Airshow on June 17th and return for Kemble in August for the Stroud Vintage Transport Club Rally.

In spite of the weather this summer we have only missed two events, not bad !!! In the meantime we were pleased to appear at the Lasham Open Day and for the third year in succession we attended Yeovilton. Kilo Fox has also been busy with corporate and individual PPL flying days. (See Photographs).

As always the AN2 has been open for walk throughs at Popham events through out the season.
